SIGNS ALONG THE WAY

A group of mountain hikers came across an old woodsman with an axe on his shoulder. "Where are you going?" they asked him.

"I'm headed up the mountain to get some wood to repair my cabin," replied the woodsman.

"But why are you going up the mountain?" they asked incredulously. "There are plenty of trees all around us here."

"I know," he said, "but I need strong timber and it grows only on the highest elevations, where the trees are tested and toughened by the weather around them. The higher up you go, the stronger the timber grows."

That is what God desires for us.

That through the winds of trial and the storms of temptation we would grow strong and live on a higher level.

That we would grow strong to resist the devil's urging, grow strong to serve God, and grow strong as we stand together in faith and service to one another.

During the 40 days of Lent, may we turn to the good news and as the Apostle Paul reminds the church at Corinth, "'It is because of him that you are in Christ Jesus, who has become for us wisdom from God—that is, our righteousness, holiness and redemption." 1 Corinthians 1:30
