SIGNS ALONG THE WAY

When a large cargo ship enters a harbor, it takes on board what is called a harbor master. This is a person who knows that harbor. They knows the length of it. They knows the depth of it. They knows where the hazards are. They knows where the tides and currents are. They know what direction they flow in and how strong they are. When that harbor master comes on board, they takes control of that ship, and they gives order to the captain who steers the ship. He is an outside expert who is brought in to make sure that ship docks safely. As we sail through the sea of life, we have been given a harbor master. Our harbor master is the Holy Spirit. The Holy Spirit knows the currents, the tides, the hazards, and the flow. May we boldly trust in the words of the old gospel hymn, "I Know Who Pilots Me" "Because He is the only guide you need. Yes, well I know who pilots me Across life's ever troubled sea; The winds may rave, and waves may swell, While Jesus pilots, all is well." Like the harbor pilots, if we will let Jesus guide the ship of our life, Jesus will guide us safely through the hazards of earth, right into the harbor of heaven. "The Holy Spirit is coming. He will lead you." John 16:13 See you Sunday! Pastor Frank
